

anklet size tester

To help you find the best fit, measure your wrist with a tape measure, or print out the sizing guide and wrap it around your wrist.

Then, reference the chart below to find the perfect bracelet size

tight ankle measurement	recommended anklet size
20-21 cm	23 cm
22 cm	24 cm
23 cm	25 cm

This page must be printed at 100% in portrait orientation. Use a ruler to confirm accuracy.
